

## Third Regional Workshop on Swine Disease Control in Asia and African Swine Fever Workshop

Cebu, Philippines 2-5 October 2018

### Final AGENDA

Monday, 1 October 2018		
	Arrival of participants	
Tuesday, 2 October 2018		
0800 - 0830	Registration	
0830 - 0900	<b>Opening Ceremony</b> Remarks by host country Welcome remarks from FAO Welcome remarks and Introduction of the meeting	Director Ronnie Domingo FAOR Jose Luis Fernandez Dr. Hirofumi Kugita
0900 - 0910	<b>Opening presentation and Introduction of participants (10mins)</b>	Dr. Hirofumi Kugita
	<b>Opening Session : Global Updates</b>	
0910 - 0920	<a href="#">Global and regional swine disease situation</a> (10mins)	Gregorio Torres
0920 - 0930	<a href="#">Follow-up 2<sup>nd</sup> Swine Disease Workshop</a> (10mins)	OIE RRAP – Caitlin Holley
0930 - 0940	<a href="#">Updates to the OIE Terrestrial Animal Health Code related to swine diseases and welfare in pig production system.</a> (10 mins)	Gregorio Torres
0940 - 1000	Discussion and Q&A	
1000 - 1030	Group Photo and Coffee break	
	<b>Session 1: Update on Swine Disease in Asia</b>	
1030 - 1050	<a href="#">CSF situation in Japan</a> <a href="#">Current status of Major emerging and re-emerging Swine diseases in China</a>	Kazutoshi Matsuo Jianqiang Ni
1050 - 1130	<a href="#">Report from the regional short-term training on Swine Disease control and diagnosis.</a>	Zhi Zhou Vittorio Guberti OIE RRAP – Jing Wang

1130 - 1155	<a href="#">Antimicrobial use and resistance and alternatives/advances in controlling and treating disease eg biosecurity, vaccines etc (particularly in the age of AMR).</a>	Juan Hernandez
1155 - 1230	Panel discussion: What does this mean for commercial and backyard/subsistence farming systems? - How can government work with industry to tackle the problems? Communication, biosecurity practices, Public-Private partnerships etc.	Facilitated Panel discussion with experts and industry
1230 - 1330	Lunch	
	<b>Session 2: The Changing Swine Industry in Asia</b>	
1330 - 1400	<a href="#">The changing Swine Industry in Asia. Market drivers, trade, population distribution etc and how this may be impacting the spread of disease.</a>	OIE RR AP – Caitlin Holley
1400 - 1420	<a href="#">Recent risk assessment from - SEACFMD and other factors known and suspected to influence the spread of TADs.</a> (20 mins)	OIE SRR SEA – Ronello Abila
1420 - 1440	<a href="#">Myanmar Pig Partnership</a> – (20 mins)	Juan Hernandez
1440 - 1500	Q&A	
1500 - 1530	Coffee Break	
1530 - 1630	Country Presentations on how Swine Production has changed in past 10 years and identified impacts on disease situation.	
	<a href="#">How the swine production has changed in China over the past 10 years</a>	Zhi Zhou
	<a href="#">Prevention and Control of FMD in China</a>	Quangang Xu
	<a href="#">How Swine Production has changed in past 10 years in Thailand</a>	Waroonsiri Charoenlarp, Thailand
	<a href="#">How Swine Production has changed in past 10 years in Cambodia</a>	Bengthay Tep, Cambodia
1630 - 1700	Q&A	
	<b>Messages from Day 1</b>	
1700 - 1730	<i>Consider what was discussed and where to from here? Write down 3 points to take home.</i>	
	<b>End of Day 1</b>	
	<b>Welcome Dinner</b>	
	<b>Wednesday, 3 October 2018</b>	
0830 - 0845	Review of previous day and recap on the important messages taken from yesterday.	Jing Wang
	<b>Session 3: Characterisation of the Swine Industry in Asia</b>	

0845 - 0945	Selected representatives from countries/industry presentations on different type of production (incl. definitions of farming systems - large scale commercial, medium size commercial, back yard and free roaming domestic) and their disease control challenges.	<a href="#">Nepal</a> – small hold/backyard <a href="#">Vietnam</a> – production systems <a href="#">Philippines</a> – productions systems <a href="#">Private commercial farm</a> – Louis Beltran
0945 - 1000	Q&A	
1000 - 1030	Coffee break	
	<b>Session 4: African Swine Fever</b>	
1030 - 1115	<a href="#">ASF control in domestic pigs - in Europe and beyond</a>	Klaas Dietze
1115 - 1145	<a href="#">Role of wild boar in the epidemiology of swine diseases in domestic systems</a>	Vittorio Guberti
1145 - 1230	Q & A Discussion	Klaas & Vittorio
1230 - 1330	Lunch break	
	<b>Session 5: Coordination – Industry and Government roles and relationships to target African Swine Fever (and other exotic disease) prevention, detection and control</b>	
1330 - 1345	<a href="#">Border security and trade – Import Risk Assessments etc – Government perspective</a>	Philippines
1345 - 1400	Border security and trade – Import Risk Assessments etc – Industry perspective	5 mins each Private sector – commercial industry Philippines and Australia and Boehringer Asia.
1400 - 1500	<b>Working in partnership (a dialogue)</b> Government to Industry: what do we need from industry? Industry to Government: what do we need from government? Government/Industry to partners: what do we need from partners?	3 group stations: Industry Government Partners
1500 - 1530	Coffee break	
1530 - 1630	Session 5: continuation	
	Summaries of stations. Submit additional questions in writing for experts to answer tomorrow.	
	<b>End of Day 2</b>	
1800 - 2030	<b>Philippines BAI Hosted Dinner at Blue Water Beachfront Resort (entertainment until 10pm)</b>	
<b>Thursday, 4 October 2018</b>		
0830 - 0845	Recap of Day 2	
	Session 6: Regional Coordination	
0845 - 0900	<a href="#">FAO regional initiatives on TADs control</a>	FAO – Guo Fusheng

0900 - 0945	<a href="#">OIE regional initiatives on TADs control</a>	OIE – Caitlin Holley
0945 - 1000	Discussion, Q & A	
1000 - 1030	<b>Coffee break</b>	
1030 - 1200	Summary continuation, additional questions for experts and Close for main workshop	
1200 - 1300	<b>Lunch break and departure of some participants</b>	
1300 - 1500	Group 1: ASEAN members to finalize the Action Plan as discussed under ASWGL Group 2: East Asia members to coordinate on regional network for Swine disease control and ASF – regional network of experts	
1500 - 1530	<b>Coffee Break</b>	
1530 - 1630	Continued session for ASEAN and East Asia	
1630 - 1700	Wrap up and Summary	
	<b>Friday, 5<sup>th</sup> October 2018</b>	
	<b>Session 7: Specific strategies for ASF depending on National Context</b>	
0830 - 0900	<a href="#">Current situation of ASF in China and strategies China has adopted since ASF introduction</a>	Dr. Shengqiang Ge
0900 - 0930	<a href="#">Outcomes of FAO emergency meeting last month</a>	F. Guo
0930 - 1000	Lessons learnt in Europe in relation to main risks for introduction into country and between-farm spread of ASFV (considering East Asian context)	Klaas/Vittorio
1000 - 1045	<a href="#">Identifying and evaluating risk pathways for risk of ASF virus introduction to countries and characterizing value chains</a>	D. Pfeiffer
1045 - 1115	Coffee break	
1120 - 1230	Group Work - Identifying and evaluating risk pathways and value chains	Group Work
<b>1230 - 1330</b>	<b>Lunch break</b>	
1330 - 1400	Lessons learnt in Europe in relation to priority actions needed for early detection and control (considering East Asian context)	Klaas/Vittorio
1400 - 1430	<a href="#">Early detection and response capacity, gaps and measures to reduce these gaps.</a>	D. Pfeiffer
1430 - 1530	Group Work - Early detection and response capacity, gaps and measures to reduce these gaps	Group Work
1530 - 1600	<b>Coffee break</b>	
1600 - 1700	Wrap up and way forward
