February 14th, 2020

Reference: Asia-Pacific Brucellosis Bovine Serum Inter-laboratory Proficiency Test 2020

Dear Director,

We hereby announce that we are organising an inter-laboratory proficiency test (ILPT) concerning Bovine Brucellosis Serum testing: Rose Bengal Test, Complement fixation test and indirect ELISA.

Please find attached the guidelines ILPT for participants (all the necessary information) together with the participation form. This form must be completed and returned to us no later than **April 10th, 2020** by e-mail (niah6@dld.go.th/ monayae@gmail.com), fax (+662-5798919) or post :

Reka Kanitpun / Monaya Ekgatat
National Institute of Animal Health
50/2 Phahonyothin, Kasetklang-Bangkhen,
Chatuchak, Bangkok 10900
Thailand.

NIAH will be pleased to provide ILPT 2020 to regional laboratories under responsibility of national laboratory in each country.

Participation is free of charge.

The final report will be returned to all participants without any identification of participants according to the confidential status of results.

Please do not hesitate to contact us if you require any further information.

Yours faithfully,

(Dr. Chaowarit Bunmatid)
Director of National Institute of Animal Health
Department of Livestock Development
