TWINNING
LABORATORIES

C E R T I F I C A T E

On behalf of the OIE Member Countries,
I certify the successful completion of the
OIE Collaboration project between the
**Istituto Zooprofilattico Sperimentale delle Venezie, Italy, and the
Chinese Academy of Inspection and Quarantine**
for Geographic Information Systems applied to surveillance, control and
zoning of Avian Influenza and other emerging avian diseases in China
between 2014 and 2018.

Paris, 25 March 2019

Dr Monique Eloit
Director General of the OIE
