

**OIE Regional Workshop on Animal Feed Safety**  
**FAMIC Virtual Training on Heavy metals**  
**26 November, 14:00(Tokyo time)-**

Provisional Agenda

OIE Regional Workshop		
Time	Theme	Speaker
14:00	Housekeeping / Opening remarks	OIE RRAP, Dr Hirofumi Kugita, Regional Representative
14:05	Background and objective of the workshop, agenda	<a href="#">OIE RRAP, Dr Asako Endo</a>
14:10	OIE international standards on feed safety	<a href="#">OIE RRAP, Dr Maho Urabe, Dr Jing Wang</a>
14:20	Codex standard related to feed(tentative)	<a href="#">Codex secretariat, Dr Gracia Brisco</a>
14:40	Country Presentations on control and prevention of chemical hazards in feeds	Members – <a href="#">Bhutan</a> , <a href="#">C. Taipei</a> , <a href="#">Sri Lanka</a>
15:10	Update on Laboratory network on Animal Feed Safety in Asia and the Pacific and other activities	<a href="#">FAMIC, Ms Wakana Arihara</a>
15:20	Interactive session using Menti	Moderator, CC for Food Safety in Asia, Rakuno Gakuen University, Dr Kohei Makita
	Group photo	
15:35	<i>Tea/coffee break</i>	

FAMIC Virtual Training		
Time	Theme	Speaker
15:40	Introduction - Remarks and introduction of the training	FAMIC <a href="#">Introduction of the training</a>
15:45	Lecture - How to establish Maximum Limits of heavy metals and current state of the surveillance of heavy metals in feed	FAMIC (Video) <a href="#">“Setting of standard values for feed, etc. (Heavy metal, etc.)”</a>
16:15	Technical Training - Training of analysis of Cd and Pb in feed with Atomic Absorption Spectrophotometer	FAMIC (Video) <a href="#">“Overview of the analytical method of cadmium and lead in feed by atomic absorption spectrometer”</a> <a href="#">“Determination of cadmium and lead in feed by atomic absorption spectrometer”</a>
17:15	Closing	FAMIC
	Announcement	OIE RRAP
