Pulih

Bebas

The dashboard features a sidebar with navigation options: Administrator, Pelaporan Penyakit, Epis07, Laporan, and Program Survelan. The main content area displays a welcome message, a map of Malaysia, and five status buttons: Disyaki (grey), Aktif (red), Terkawal (yellow), Pulih (green), and Bebas (light green). The map shows major cities and states across the Malay Peninsula and Borneo.

Thank You
