

## Group 2 Output - Group Work Session to assess M&E Indicators for SEACFMD Roadmap 2021 2025

### Key Questions:

- Is the identified M&E Indicators relevant to measure the progress of SEACFMD Campaign?
- How to measure these indicators? How to enhance collection of data/ information for the M&E Indicators?
  - o Facilitator: Dr Peter Windsor
  - o Rapporteur:

Objective/ Outcome/ Outputs	Indicator	Relevancy	How to measure?	Data collection
<b>Outcome 2:</b> Improved ownership and enabling environment at national level	I.7 National FMD Plan aligned with the SEACFMD Road Map (2021-2025) that has been endorsed by their Ministries with a budget allocation.	Yes quite relevant	<ul style="list-style-type: none"> <li>• How many countries have control measures that have been revised that align with SEACFMD Road Map by 2025.</li> <li>• Have Scenarios or simulations to test it.</li> <li>• A measure of increase in budget allocation</li> <li>• A measure of increase in workforce – resource availability and capacity.</li> </ul>	<ul style="list-style-type: none"> <li>• Interviewing the Ministerial level / Presidential level – endorsement by Ministerial level.</li> <li>• Post-mortem assessment / Evaluation of what have been done in the scenarios.</li> <li>• Documentation of lessons learnt – can make use of academia / PhD studies to do research on it.</li> </ul>
<b>Output 2.1</b> Country ownership of the SEACFMD Campaign enhanced.	I.8 National FMD Control Programme is endorsed by the Ministries/ Government	<p>Yes very relevant</p> <p>Endorsed quite a big word.</p> <p>So may state as delivered or demonstrated</p>	Progress towards along the same PCP or moving up to next step in PCP Ladder	<ul style="list-style-type: none"> <li>• Data on monitoring and scientific disease investigation.</li> <li>• Committee may propose scientific way of moving along and moving towards the PCP as well – evidence-based.</li> </ul>

		instead of just endorsed.		
<b>Output 2.2</b> National Veterinary Service capacities assessed and recommendations from PVS Evaluation implemented.	I.9 Number of PVS self evaluation or external follow-up evaluation conducted	Yes highly relevant.  May want to change the wording from evaluation only to evaluation <b>conducted and action.</b>	Numbers of actual evaluations done and follow up evaluations whether internal or external.	<ul style="list-style-type: none"> <li>• Cost-benefit analysis invested in biosecurity or veterinary services and its return.</li> <li>• Program to work towards self- or external evaluation of PVS</li> </ul>
<b>Output 2.3</b> National legislation related to FMD (and other related TADs) reviewed and revised.	I.10 National legislation related to FMD (and other related TADs) have been reviewed and revised.	Legislation will need to be endorsed.  May alter the wording to include <b>implemented.</b>	Number of compounds have been issued.	<ul style="list-style-type: none"> <li>• Biosecurity compounding data.</li> <li>• Records of enforcement e.g. animals seized or returned.</li> <li>• Press articles for awareness purposes and social media articles.</li> </ul>
