

6th Cycle Training of WOAHP Focal Points for Wildlife in Asia and the Pacific with Regional Networking Workshop

Preparatory online training: access from Tuesday 17th January

Pre-workshop e-learning	
Welcome and Introduction	
Introduction to the e-learning program	Dr Lesa Thompson, Regional Project Officer, WOAH RRAP
WOAH wildlife health surveillance, reporting, and PVS	
<i>Part 1</i> WOAH Members' Wildlife disease surveillance survey 2020: Outcomes of the worldwide survey with specific reference to information emanating from Asia & the Pacific countries.	Dr Mariana Delgado , Consultant, WOAH Preparedness and Resilience Department
<i>Part 2</i> Reporting of wildlife diseases to WOAHP: Past and current tendencies and statistics, and non-WOAHP-Listed Disease technical cards	Dr Paolo Tizzani , WOAHP Data Integration Department
<i>Part 3</i> Outcomes of the WOAHP-commissioned study on the PVS Pathway and wildlife health (2022)	Dr Carole Goulet , Colibri Consulting, WOAH Preparedness` and Resilience Department
Wildlife trade	
<i>Part 1</i> CITES and wildlife trade	Mr David Morgan , Science Unit, CITES
<i>Part 2</i> INTERPOL and wildlife trade	Mr David K Migwi, Organized and Emerging Crime Directorate, INTERPOL
<i>Part 3</i> WOAHP Guidelines on wildlife trade: general overview	Dr Tiggy Grillo , Consultant, Wildlife Health Australia, WOAHP Expert
Conclusion	
Conclude the e-learning program	Dr Kinley Choden, Animal Health Officer, WOAH SRR-SEA

6th Cycle Training of WOAHP Focal Points for Wildlife in Asia and the Pacific with Regional Networking Workshop

Organised in collaboration with the WOAHP Collaborating Centre at the National Wildlife Health Center, US Geological Survey, USA.

Hosted by the Department of Livestock Development, Ministry of Agriculture and Cooperatives, Thailand.
14 – 17 February 2023

Programme

DAY 1: Tuesday 14 February 2023		
08:00 – 09:00	Registration and welcoming of participants	Local hosts
	Session 1: Opening	Chair: Dr Naree Ketusing, Department of Livestock Development (DLD), Thailand
09:00 – 09:20	Opening remarks	Dr Prasit Chaitaweesub, Veterinarian Expert, DLD (on behalf of the WOAHP Delegate for Thailand) Dr Hirofumi Kugita, WOAHP Regional Representative for Asia and the Pacific (WOAHP RRAP)
09:20 – 09:30	Group photograph	All
09:30 – 09:45	Introduction and objectives of the workshop	Dr Dharmaveer Shetty , Preparedness and Resilience Department, WOAHP headquarters
09:45 – 10:30	Icebreaker Exercise: Interactive Icebreaker Strategy Game to enhance the value of the Wildlife Focal Point in the WOAHP Framework	All
10:30 – 11:00	<i>Coffee break</i>	
Time	Session 2: Wildlife disease management – the basics	Chair: Dr Kinley Choden, WOAHP Sub-Regional Representation for South-East Asia (SRR-SEA)
11:00 – 12:00	General principles of disease management and control in wildlife	Dr Tricia Fry and Dr Julia Lankton , USGS National Wildlife Health Center (WOAHP Collaborating Centre)
12:00 – 12:40	Root causes/drivers of disease and how to manage them <ul style="list-style-type: none"> HPAI in wild birds: balancing wildlife conservation and disease risk for livestock and humans Disease ecology 	Republic of Korea Dr Serge Morand , Kasetsart University, Thailand
12:40 – 13:00	Discussion/Q&A	
13:00 – 14:00	<i>Lunch</i>	

Time	Session 3: Wildlife disease management - in the Asia and the Pacific Region	Chair: Dr Lesa Thompson, WOAHR RAP
14:00 – 15:00	Managing disease events in wildlife <ul style="list-style-type: none"> • SARS-CoV-2 in farmed beavers • Avian mortality events – investigation case studies • ASF in wild pigs 	Focal Points for Wildlife <ul style="list-style-type: none"> • Mongolia • New Zealand • Malaysia
15:00 – 15:30	Discussion/Q&A	
15:30 – 16:00	<i>Coffee break</i>	
16:00 – 17:00	Multi-group discussion: Key factors to successfully manage diseases events in wildlife Plenary discussion: Key factors to successfully manage diseases events in wildlife 	Dr Steve Unwin (Wildlife Health Australia), Dr Julia Lankton and Dr Tricia Fry, USGS National Wildlife Health Center (WOAH Collaborating Centre)
17:00 – 17:15	WOAH Next Generation Information System for Wildlife Health	Dr Claire Cayol , Preparedness and Resilience Department, WOAHR headquarters

DAY 2: Wednesday 15 February 2023

Time	Session 4: Wildlife disease management – best practices	Chair: Dr Sarin Suwanpakdee, Mahidol University, Thailand
09:00 – 09:30	Best practices in disease management, control in wildlife	Dr Tricia Fry and Dr Julia Lankton , USGS National Wildlife Health Center (WOAH Collaborating Centre)
09:30 – 09:50	Tiger mortality in Thailand: Root causes / drivers of disease and how to manage them	Dr Anuwat Wiratsudakul , Mahidol University (WOAH Twinning Project)
09:50 – 10:10	Exploring Wildlife Health to manage Disease	Dr Tricia Fry , USGS National Wildlife Health Center (WOAH Collaborating Centre)
10:10 – 10:30	Discussion/Q&A	All
10:30 – 11:00	<i>Coffee break</i>	
11:00 – 12:00	Introduction to Systems Thinking for Wildlife Disease Management	Dr Julia Lankton , USGS NWHC (WOAH Collaborating Centre)
12:00 – 13:00	<i>Lunch</i>	
13:00 – 18:00	Field Visit: Safari World, Bangkok, Thailand	

DAY 3: Thursday 16 February 2023

09:00 –09:30	Debrief from the field visit yesterday		Dr Steve Unwin (Wildlife Health Australia), Dr Julia Lankton and Dr Tricia Fry (USGS National Wildlife Health Center, WOAH Collaborating Centre)
Time	Session 5: Wildlife disease management – from theory to action		Chair: Dr Dharmaveer Shetty
09:30 – 11:00	Tabletop exercise (4 groups): Applying systems thinking to understand the root causes/drivers of challenges facing wildlife health and affect meaningful change		Dr Julia Lankton and Dr Tricia Fry , USGS National Wildlife Health Center (WOAH Collaborating Centre) Facilitators: Dr Steve Unwin, Dr Dharmaveer Shetty
11:00 – 11:30	<i>Coffee break</i>		
11:30 – 12:30	Tabletop exercise (larger groups) Plenary Discussion: Systems Thinking		Dr Julia Lankton and Dr Tricia Fry, USGS National Wildlife Health Center (WOAH Collaborating Centre)
12:30 – 13:30	<i>Lunch</i>		
13:30 – 16:00	Group exercise: The EBO-SURSY serious game “ALERT”		Chair: Dr Dharmaveer Shetty Facilitators: Dr Lesa Thompson, Dr Kinley Choden, Dr Julia Lankton, Dr Tricia Fry, Dr Tikiri Priyantha, Dr Chantanee Buranathai, Dr Andre Furco
16:00 – 16:30	<i>Coffee break</i>		
16:30 – 16:40	Plenary feedback on the “ALERT” Game		All
16:40 – 16:45	Housekeeping announcements		Ms Onsiri Benjavejbhaisan
16:45 – 17:00	Wrap up training of 6 th cycle manual		Dr Dharmaveer Shetty
18:30	<i>Reception dinner offered by WOAH</i>		

DAY 4: Friday 17 February 2023

DAY 4: Friday 17 February 2023		
	Session 6: Opening of the networking sessions	Chair: Dr Lesa Thompson, WOAHH RRAP
09:00 – 09:05	Opening remarks	Associate Professor Dr Ganokon U. Ferreira, Asst. Dean for International Relations, Mahidol University, Thailand
09:05 – 09:10	Introduction and objectives for today	Dr Dharmaveer Shetty, Preparedness and Resilience Department, WOAHH headquarters
	Session 7: Situating the WOAHH Wildlife Health Networks	Chair: Dr Kinley Choden, WOAHH SRR-SEA
09:10 – 09:30	Network Exercise: Situating the Wildlife Focal Point as a steward for wildlife health networks in their country/territory	Dr Dharmaveer Shetty, Preparedness and Resilience Department, WOAHH headquarters
09:30 – 10:15	Reports from WOAHH sub-regional wildlife health networks <ul style="list-style-type: none"> • East Asia • Pacific • South Asia • South-East Asia 	<ul style="list-style-type: none"> • Dr Manabu Onuma, Japan • Dr Tiggy Grillo, Australia • Dr Mukul Upadhyaya, Nepal • Dr Anna Wong, Singapore
10:15 – 10:35	Theory of Change: developing an Outcomes Framework for the Regional Network	Dr Steve Unwin , Wildlife Health Australia
10:35 – 11:00	<i>Coffee break</i>	
	Session 8: Priorities and vision for the networks	Chair: Dr Lesa Thompson, WOAHH Regional Office
11:00 – 11:30	Group discussion: Sub-regional perspectives <ul style="list-style-type: none"> - Vision - Priorities - Needs from the region - What can you offer? 	Facilitators: chairs of sub-regional networks
11:30 – 11:50	Plenary feedback and discussion	Group rapporteurs
11:50 – 12:30	Group discussion: Regional perspectives <ul style="list-style-type: none"> - Vision - Priorities 	Facilitators: Dr Steve Unwin, Dr Julia Lankton, Dr Tricia Fry, WOAHH staff
12:30 – 13:00	Plenary feedback and agreement on regional priorities and vision	Group rapporteurs
13:00 – 14:00	<i>Lunch break</i>	
	Session 9: Future actions of the regional wildlife health network	Chair: Dr Dharmaveer Shetty
14:00 – 14:15	Learning from the past: Historical lessons on building wildlife health networks in Asia and around the world	Dr Tricia Fry and Dr Dharmaveer Shetty

14:15 –15:15	<p>World Café: Establishing the regional wildlife health network</p> <ul style="list-style-type: none"> - 5-year plan (strategy) - 1-year plan (activities/actions) - Working groups/focal person for regional topics 		<p>Chair: Dr Kinley Choden Facilitators: Dr Steve Unwin, Dr Julia Lankton, Dr Tricia Fry, WOAHP staff</p>
15:15 – 15:45	<i>Coffee break</i>		
15:45 – 16:15	Plenary discussion		All
16:15 – 16:45	Modality of the regional wildlife health network (Mentimeter® poll)		Dr Lesa Thompson and Dr Kinley Choden
16:45 – 17:00	Evaluation and closing ceremony		Dr Hirofumi Kugita, WOAHP Regional Representative for Asia and the Pacific (WOAHP RRAP)
