

Global and Regional Communication Resources and Activities

1. World Organisation for Animal Health (WOAH, founded as OIE) websites:
 - Global: <https://www.woah.org>
 - Africa: <https://rr-africa.woah.org>
 - Americas: <https://rr-americas.woah.org>
 - Asia and the Pacific: <https://rr-asia.woah.org>
 - Europe: <https://rr-europe.woah.org>
 - Middle East: <https://rr-middleeast.woah.org>
2. [Communication Handbook for Veterinary Services](#)
3. Communications opportunities via [international days of observance](#)
 - a. Follow our regional ([@WOAH_Asia](#)) and global ([@WOAH_Global](#)) Twitter accounts
 - b. Subscribe to the [WOAH Global Newsletter](#)
4. [Frequently asked questions](#) sheet about our rebranding from OIE to WOAH
5. African horse sickness ([AHS](#))
 - a. [Leaflets](#) for Vets and Paravets – AHS a new threat to region.
 - b. [Poster](#) for Vets and Paravets - AHS a new threat to region.
 - c. [Infographics](#) – AHS Vector Control
 - d. Infographics – AHS emergency vaccination (forthcoming)
 - e. AHS - [Guidelines on preparedness and implementation of emergency vaccination in the Asian region](#)
 - f. AHS - [Guidelines for the practical control of viral transmission by reducing vector–host contact in the Asian context](#)
 - g. Equine movement study - [study-husbandry-movement-patterns-of-equids-in-sea-and-china_final.pdf](#)
 - h. [International Horse Movement site](#)
6. African swine fever ([ASF](#))
 - a. ASF Communication materials on [Trello](#)
 - i. Posters for Vets, Farmers, Transporters
 - ii. Posters for the General Public
 - b. [ASF Compartmentalisation Guidelines](#)
 - c. [ASF Point-of-Care Field Tests Kits Guide](#)
 - d. [ASF Cross-border Risk Assessment Manual](#)
 - e. [ASF Cross-border Risk Assessment in SEA Webinar](#)

7. Avian influenza ([global](#) and [regional](#) resource sites)
8. Foot and Mouth Disease ([FMD](#)):
 - a. [SEACFMD manual - Asia](#)
 - b. [SEACFMD regional page and dashboard](#)
 - c. [FMD communication materials](#)
9. Lumpy skin disease ([LSD](#))
 - a. [Leaflets](#) for Vets and Paravets – LSD a threat to the region
 - b. [Poster](#) for Vets and Paravets – LSD a threat to the region
 - c. [Poster](#) for farmers – Protecting your animals from LSD
 - d. [FAQ](#) on LSD Vaccination
10. Peste des Petits Ruminants ([PPR](#))
 - a. Leaflet and poster – PPR a threat to the region? (forthcoming)
11. Rabies ([global](#) and [regional](#) resource sites)
 - a. [World Rabies Day and other activities](#) in the region
12. COVID-19 ([global](#) and [regional](#) resource sites)
13. [Capacity building](#) resource materials
 - a. [Veterinary workforce development - why participate? Video](#)
 - b. [Transborder Sociological Approach to Animal Value Chain Analysis](#)
 - c. [Training of trainers \(ToT\) on Outbreak Investigation and response management](#)
 - d. [Advanced Geographical Information Systems \(GIS\) training 2021](#)
 - e. [Epidemiological study design training](#)
 - f. [Infectious Disease Modelling training](#)
14. Development of communication material on animal welfare (forthcoming)
15. Development of communication materials on emergency and pandemic preparedness (forthcoming)
16. One Health / Wildlife
 - a. Resources on [antimicrobial resistance \(AMR\)](#)
 - i. [AMR digital print](#) materials in many languages
 - ii. [AMR videos](#) in many languages
 - iii. [WAAW 2022 Activities](#)
 - b. Resources for the prevention and control of [neglected parasitic zoonoses](#)
 - c. Resources for [food safety](#)
 - d. [Global](#) and [regional](#) wildlife health website portals
 - e. WOAHP Wildlife Health Framework [Infographic](#)

Note: This is not meant to be a comprehensive listing, but a highlight document of the regional representations' communications resources. Please visit the [regional](#) and [global](#) websites for further information.
