de la santé
animale
Fondée en tant qu'OIE

Organización
Mundial
de Sanidad
Animal
Fundada como OIE

- Update on animal health situation of East Asia members
- Review the past activities under the East Asia CVO Forum
- Review the priority topics and administration of the East Asia CVOs Forum.
 - Priority topics (TADs, Veterinary Services and other horizontal issues of importance)
 - Mechanism and operation (how to collaborate and coordinate)
- Develop future activities / work plan for East Asia for 2023-2025.

- Coordination Meeting on TADs control in East Asia (March 2016, Shanghai, China) recommended the organisation of East Asia CVOs meeting regularly.
- 1st East Asia CVOs meeting (July 2016, Tokyo, Japan) agreed to establish the **East Asia CVOs Forum**.
 - Members include CVOs from:
 - China PR, Chinese Taipei, Japan, Korea RO, Mongolia, Hong Kong (DPR Korea is invited but no response)
 - OIE RRAP serves as secretariat
- In the 10th RSC meeting in 2018, it was agreed that East Asia is recognised as a sub-region of Asia and the Pacific under GF-TADs.

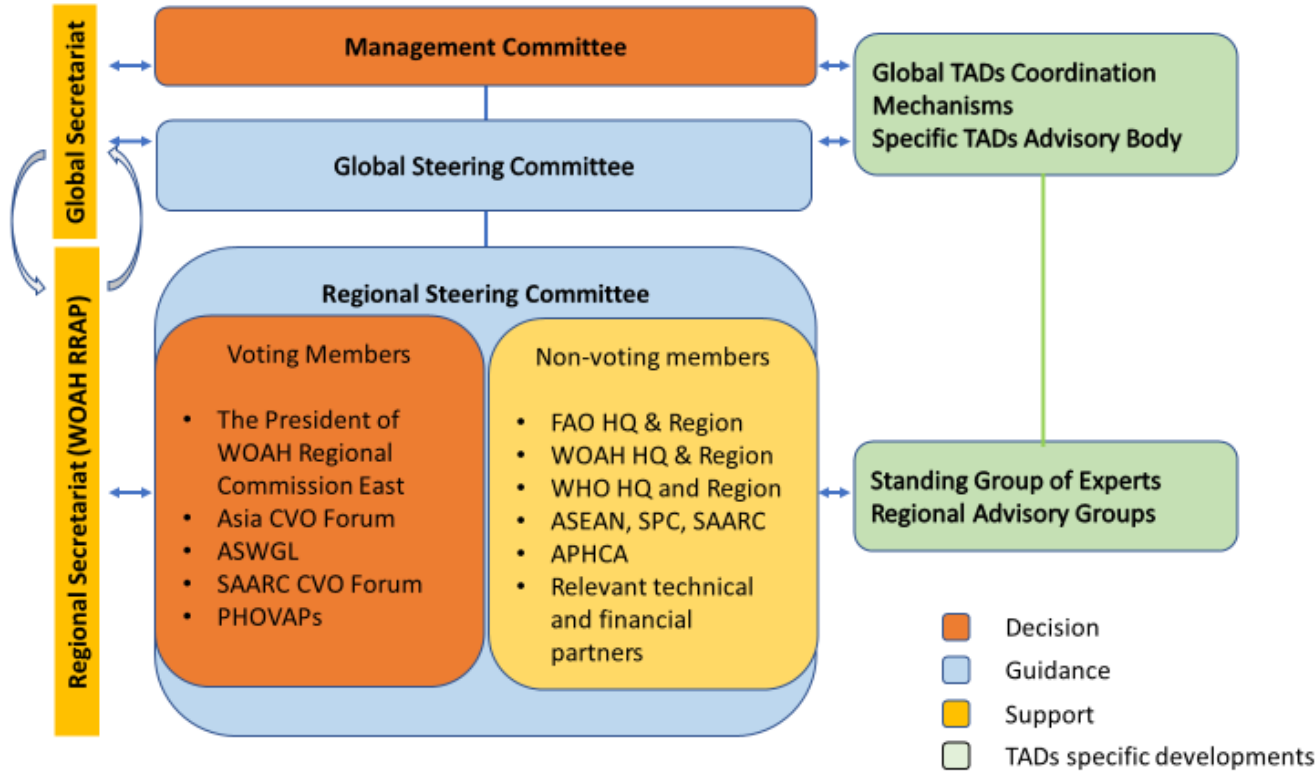

Coordination Meeting on TADs control in East Asia
(24-25 March 2016, Shanghai, China)

1st East Asia CVO Forum meeting
(21-22 July 2016, Tokyo Japan)

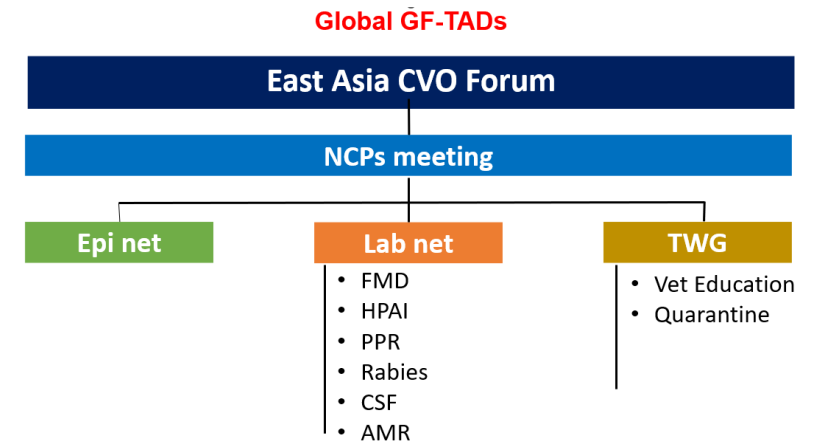

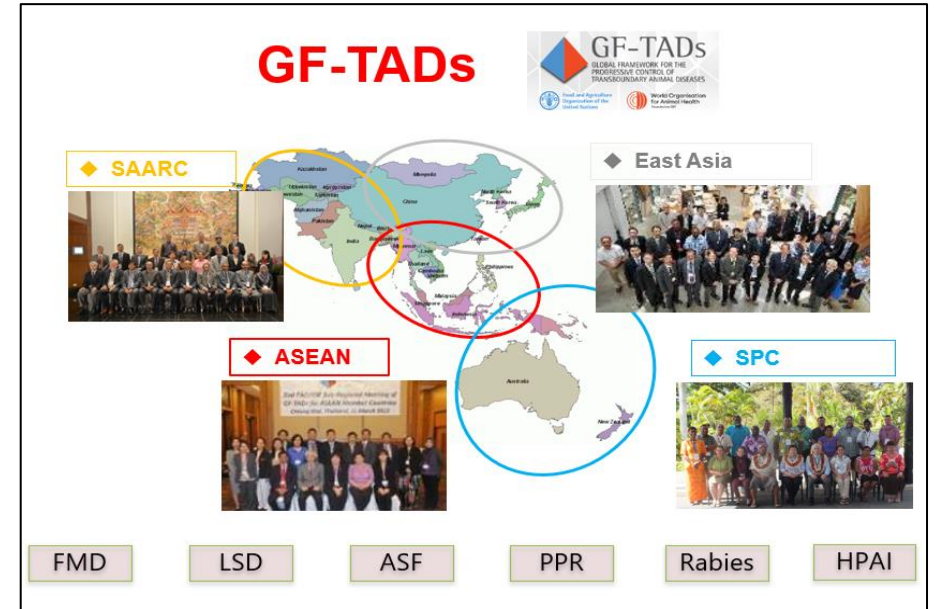

GF-TADs Steering Committee for Asia and the Pacific

- ❖ Terms of Reference of the Regional Steering Committee of the GF-TADs for Asia and the Pacific was adopted in July 2020.
- ❖ Voting member of RSC for GF-TADs must be from a government of both WOAHR and FAO member.

GF-TADs: Sub-regional approach in Asia and the Pacific

Activities in the East Asia (2016-2019)

Achievements and challenges (1/2)

Items	Achievements / Challenges
<ul style="list-style-type: none">• East Asia CVOs Forum	<ul style="list-style-type: none">• Established in 2016• CVO/CP meetings were held almost every year.
<ul style="list-style-type: none">• Designate Contact Persons	<ul style="list-style-type: none">• National Contact Persons (CP) serves for overall coordination and planning (appointed on ad hoc basis)
<ul style="list-style-type: none">• Align with the Regional GF-TADs• Develop a work plan	<ul style="list-style-type: none">• Recognised as a Sub-region under the Regional GF-TADs in 2018• Several TADs meetings were held (for the Region of Sub-region)○ East Asia FMD Roadmap was developed (2016), then proposed to review and broaden the scope of the document.
<ul style="list-style-type: none">• Establish Epi-/Lab- network	<ul style="list-style-type: none">○ Epi net & Lab net for each TADs still to be established○ Epi-net (CAHEC) ???• FMD (Lanzhou VRI): Collaborates with the SEACFMD• HPAI (Hokkaido Uni./ Harbin VRI): Organizes virtual meetings○ PPR (CAHEC-China)○ Rabies (Changchun VRI): Provide technical support to the region○ ASF (CAHEC): SGE ASF meetings○ CSF (IVDC- China, NIAH-Japan, AHRI-Chinese Tapei): Swine disease trainings○ LSD: ???

Items	Achievements / Challenges
<ul style="list-style-type: none"> • Non-TADs topics • Technical Working Groups (TWG) 	<ul style="list-style-type: none"> • AMR/AMU (NVAL, Japan): webinar/virtual training • Vet Education: Organised Vet Education Workshops, collaborate with AAVS <ul style="list-style-type: none"> ○ Quarantine/Biosecurity/Border Control: ??? ○ Designate rRegional priority issues to be addressed
<ul style="list-style-type: none"> • New topics 	<ul style="list-style-type: none"> • Wildlife health <ul style="list-style-type: none"> ○ PVS/Workforce Development ○ Aquatic animal health
<ul style="list-style-type: none"> • Collaboration with existing bi-lateral/multilateral cooperation • Contribution of Members 	<p>(Example)</p> <p><u>Symposium on Prevention and Control of TADs in East Asia</u> Share the information on epidemiology and disease control measures to prevent a spread of TADs, hosted by Japan, China and Korea in rotation since 2011</p> <p><u>Memorandum on Cooperation on Response against TADs</u> Agricultural Ministers of Japan, China and Korea signed the Memorandum in September 2015</p>

Guiding questions :

- I. Do you expect any specific activities under GF-TADs?
 - Development of any regional strategy or workplan for TADs (FMD, ASF, LSD, AI, ...)? Emergency preparedness plan?
 - Development /strengthening of Epi-/Lab- Network?
 - Workshop, training, etc

- II. Do you consider any topics (other than TADs) relevant to this Forum? What activities do you propose?
 - One Health (AMR/AMU, Wildlife, Other zoonoses, Implementation of QPT OH JPA)
 - Veterinary Education (VEE network, VSB network)
 - PVS Pathway (Laboratory/Education twinning, IHR-PVS NBW)
 - Aquatic Animal Health

- III. Do you have any activities or topics you expect to engage with or contribute to under this Forum?
 - Organising technical workshop, training, etc
 - Collaboration with other forum or activities
 - Creating new network, WOAHA Reference Centres, etc
 - Providing support to other sub-regions or countries/territories

(Summary) Proposed activities and work plan

To be compiled in the meeting based on the inputs from Members.

Topic	Proposed activities in 2 years (2023-2025)	When, Where, Led by

- East Asia CVOs Forum meets at least every 2 years to update and set priorities for the next 2 years. Meetings may be held virtually or back-to-back with other meetings.
- East Asia Contact Persons meet at least once a year (in person or virtually) and are responsible for the ongoing coordination and report to their CVO (or equivalent).
- FAO RAP and WOAHA RRAP continues to support the East Asia CVOs Forum and its technical activities.
- The representative of East Asia sub-region to the RSC of GFTADs for Asia and the Pacific should rotate every 2 years alphabetically amongst those who are members of both FAO & WOAHA and other than the President of Regional Commission.
(cf: PR China - Japan – (DPRK) - RO Korea - Mongolia, RO Korea represented in 2023)
- WOAHA RRAP serves as a secretariat for the East Asia CVOs Forum

Thank you

Please provide proposed activities for East Asia making reference to the “Guiding questions” in the attached slides.
