# Objectives of the 26<sup>th</sup> SEACFMD National Coordinators Meeting

26<sup>th</sup> SEACFMD National Coordinators Meeting  
Kuala Lumpur, Malaysia (22 – 24 August 2023)

# Background

---

SEACFMD Campaign is a regionally coordinated programme to control FMD in the Sub-region.

WOAH continues to work towards controlling FMD and its negative effects on economies and livelihood in South-East Asia, China and Mongolia through SEACFMD Campaign

# Alignment of SEACFMD Campaign with Global Strategy

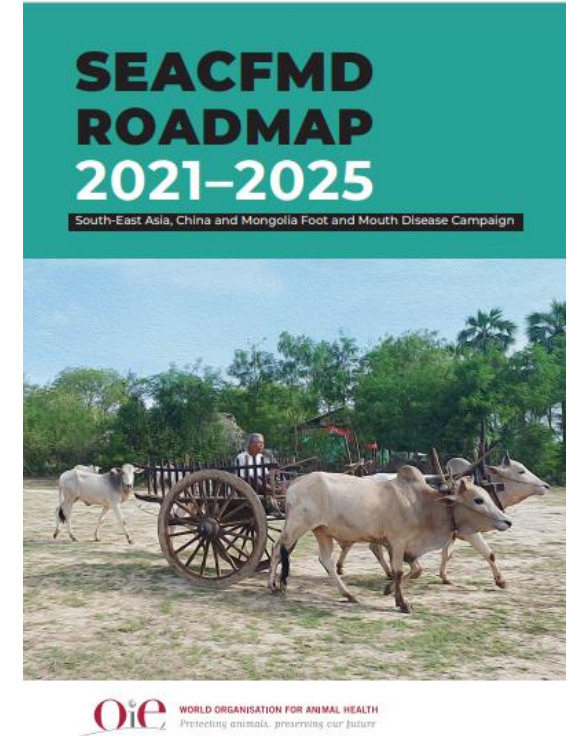

2012

2016 - 2020

2021 - 2025

**Risk-based approach to FMD control**

## OUTPUT

- Fit-for-purpose and sustainable FMD surveillance system established
- Incentives and pathways of livestock movements understood and official
- Robust vaccination strategy developed, including access to quality vaccines and vaccination data management and analysis
- Preparedness and response capacity to both endemic and new FMD viral strains developed

- Country ownership of the SEACFMD enhanced
- National VS capacities assessed and recommendations from PVS Evaluations implemented
- National legislation related to FMD (and other related TADs) reviewed and revised
- Multidisciplinary and multisectoral efforts implemented for control of FMD (and other TADs)
- Cost-efficient synergies with other livestock activities implemented
- Pool of regional experts actively involved in SEACFMD activities

- ASEAN support reaffirmed, including allocation of appropriate resources
- Regional coordination platforms effectively functioning
- Active collaboration established and maintained with key partners
- Cooperation with non-SEACFMD member countries established

## OUTCOME

1  
Improved surveillance, movement control, vaccination and preparedness/response to FMD

2  
Improved ownership and enabling environment at the national level

3  
Improved regional coordination

## GOAL

Strengthened Veterinary Services to effectively prevent, control and eradicate FMD and other TADs

### Objective 1:

Reinvigorated FMD prevention and control in SEACFMD Member countries

**Objective 2:** Comprehensive evaluation of the SEACFMD Campaign from 1997–2020 to address critical gaps

### Stakeholders

#### SEACFMD Governance:

- Sub-Commission
- Steering Committee
- National Coordinators
- Epidemiology Network (EpiNet)
- Laboratory Network (LabNet)

#### National Stakeholders:

- Public sector
- Private sector
- Research institutions and academia
- Farmers and producers
- Consumers
- Local communities
- Local NGOs

#### Regional stakeholders:

- ASEAN
- OIE SRRSEA
- FAO-RAP

#### Other technical and advisory Groups:

- Private Sector Consultative Committee
- Regional FMD Expert Group
- Upper Mekong Region Working Group

# Objectives of the 25<sup>th</sup> SEACFMD National Coordinators Meeting

---

- Update on the global and regional FMD situation and current FMD epidemiological situation amongst Members.
- Review SEACFMD Campaign progress and follow up on the key actions to implement the recommendations of SEACFMD Governance Meetings.
- Discuss and align the ongoing SEACFMD activities based on the findings and recommendations of the SEACFMD campaign evaluation from 1997 to 2020.
- Discuss the various options to enhance cost-efficient synergies in the control of FMD and other related TADs (ASF, LSD and PPR).
- Provide platform to share experiences and challenges faced by both infected and FMD free countries and countries with free zones and come up with solution to address some of the challenges.
