The FEI is the world governing body of equestrian sport, overseeing all international equestrian events of Olympic and non-Olympic disciplines.

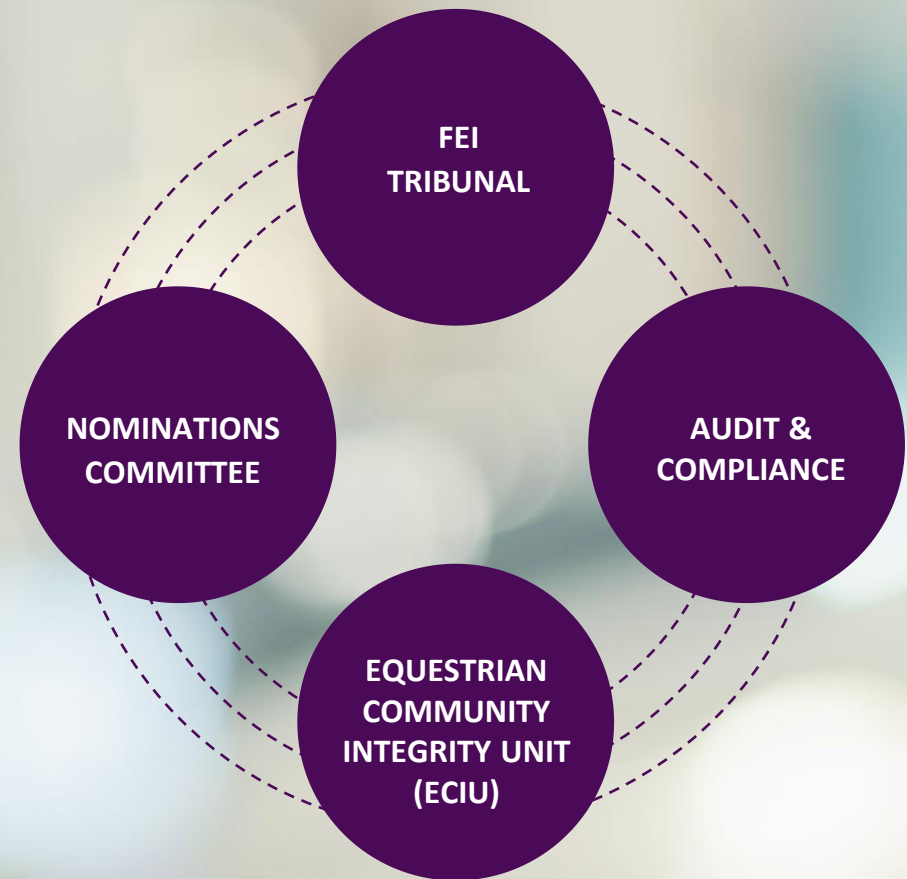

The FEI promotes equestrianism in all its forms and encourages the development of the FEI equestrian disciplines throughout the world, keeping the welfare of the horse at the heart of all activities.

FEI STRUCTURE

FEI INDEPENDENT BODIES

A diagram with a central black circle containing the FEI logo, surrounded by six other black circles, each containing a discipline name. Dashed white lines connect the central circle to each of the surrounding circles. The background is a dark, textured surface resembling horse skin.

In Conclusion

- Although training and competition opportunities in Europe are better, the region has the potential to develop if conditions continues to improve
- Must continue this momentum to ensure its sustainment.

THANK YOU
