- Established in 2013 in relation to WOAH Competency and Curriculum Guidelines for Veterinarians
- Provides an opportunity for a ‘beneficiary’ VEE wishing to improve its performance, to link with a ‘parent’ VEE in a formal partnership to address **specific, agreed objectives for curriculum development and other aspects of educational capacity building**, with support from WOAH
- Facilitates the *exchange* of knowledge, staff, students, ideas and experience between VEEs
- Learnings to be shared with stakeholders for more impact

14 Total: 12 completed and 2 ongoing
1 dossier under review

- Established in 2016
- Creates the opportunity for a 'beneficiary' VSB wishing to improve its performance, to link with a 'parent' VSB in a formal partnership to address specific, agreed targets for improvement
- Regional experience: Twinning between Australasian Veterinary Boards Council Inc. (AVBC) and the Veterinary Council of Thailand (VCT)
- Programme is currently under review
- Support related to legislation is available via PVS Veterinary Legislation Support Programme (VLSP)
