Enabling environment for prevention:
Private Sector Partnerships

Industry Forums, Committee's and Working Groups

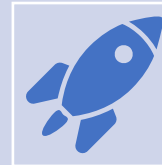

- **AHC Stakeholder Sessions**
- **Livestock Industry Forum**
- **National Biosecurity Strategy Implementation Committee and Working Group**

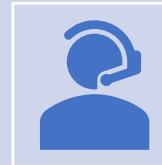

'Have Your Say' website

The screenshot shows the 'Have Your Say' website for the consultation on World Organisation for Animal Health (WOAH) standards. The header includes the Australian Government logo and the text 'HAVE YOUR SAY'. The main content area features a large image of horses and the title 'Consultation on World Organisation for Animal Health (WOAH) standards'. Below the image, there is a navigation menu with 'Regulation', 'Animal Health', and 'Animal Welfare'. The main text states: 'The Office of the Chief Veterinary Officer (OCVVO) seeks feedback on the draft World Organisation for Animal Health (WOAH) terrestrial standards from Australian stakeholders, including state and territory governments, veterinarians, and industry representatives.' A 'Timeline' section lists three key events: 'Consultation opens 19 April 2024', 'Webinar 19 April 2024', and '91st WOAHI General Session 26 - 30 May 2024'. On the left, there is a sidebar with 'On this page' containing links for 'Webinar', 'How you had your say', and 'Part A chapters at the 91st WOAHI General Session'.

Launched 2022

Simplifies consultation
