# Enhancing ownership and sustainability of FMD and TADs control Session 4.C.

Karma Rinzin  
Regional Animal Health Coordinator  
WOAH SRRSEA

27<sup>th</sup> Meeting of WOAHS Sub-Commission for Foot and mouth disease in South-East Asia, China and Mongolia  
Bangkok, Thailand (3 – 6 September 2024)

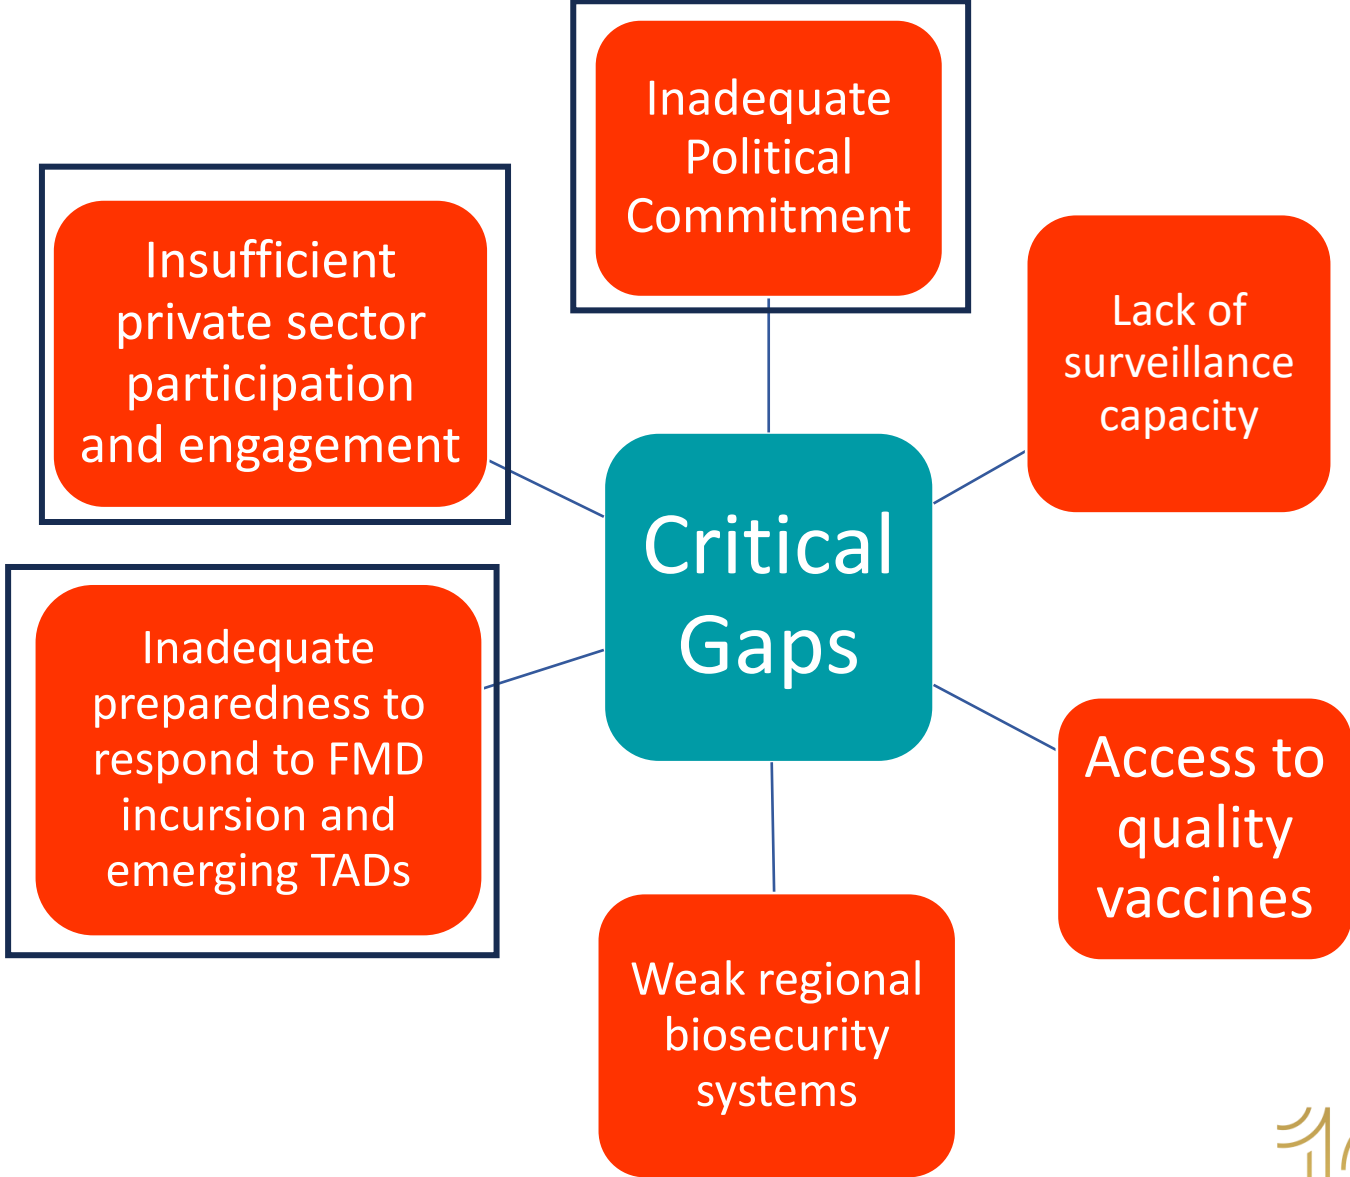

# Background

---

## **Outcome 2 – Improved ownership and enabling environment at national level** (SEACFMD Roadmap 2021 – 2025)

- Output 2.1: Country ownership of the SEACFMD Campaign enhanced
- Output 2.2: National VS capacities assessed and recommendations from PVS evaluation implemented
- Output 2.3: National legislation related to FMD (and other related TADs) reviewed and revised
- Output 2.4: Multidisciplinary and multisectoral efforts implemented to control FMD (and other related TADs)
- Output 2.5: Cost-efficient synergies with other livestock activities implemented
- Output 2.6: Pool of regional experts actively involved in SEACFMD activities

# Critical Gaps identified during the evaluation of SEACFMD Campaign

# Session 4.C – Modalities

---

- Presentation on:
  - Outcome of review of animal health related legislation in the region.
  - Update on the progress of Public-Private Partnership activities
- Invite interventions from Members:
  - Success stories of mobilizing resources for FMD control
  - Key challenges and gaps in the existing policy and legislations
  - How to improve political commitment and financial support for sustainability of FMD control?
  - How can we enhance Public-private partnership and engagement of private sectors

Thank You
