SEACFMD Sub-Commission	<ul style="list-style-type: none"><li>- Provide strategic guidance for the 2026–2030 Roadmap</li><li>- Endorse the final version of the roadmap</li></ul>
SEACFMD Steering Committee	<ul style="list-style-type: none"><li>- Reviewed in detail the Outline and pre-final prior to submission to the SEAFMD Sub Commission for endorsement</li></ul>
SEACFMD National Coordinators	<ul style="list-style-type: none"><li>- Evaluate the progress made against the SEACFMD Roadmap 2016–2020</li><li>- Contribute to development the outline and TOC of the SEACFMD Roadmap 2026 -2030</li><li>- Comment on the first draft of the SEACFMD Roadmap</li><li>- Discussed the different steps of the development and validation process.</li></ul>
Core Group Members	<ul style="list-style-type: none"><li>- Develop Outline and TOC for the Roadmap</li><li>- Prepare first draft of the strategy</li></ul>
WOAH Scientific Commission for Animal Diseases, GF-TADs	<ul style="list-style-type: none"><li>- reviewed the documents and Outline to ensure it is in line with the FMD Global Strategy and scientifically sound</li></ul>
SEACFMD Secretariat (OIE SRRSEA)	<ul style="list-style-type: none"><li>- Coordinated the development for SEACFMD Roadmap</li><li>- Coordinated the participatory approach</li></ul>

# SEACFMD Roadmap 2026 – 2030 (Theory of change)

- Core Group and National Coordinators to lead
  - Technical person nominated by WOAHA Delegate from the Member of SEACFMD Steering Committee (Thailand, Malaysia, Singapore, Indonesia and Brunei)
  - WOAHA SRRSEA
  - WOAHA Reference Lab for FMD/ Collaborating Centres
- Steering Committee Member will be Advisory Group to guide Core Group and National Coordinators

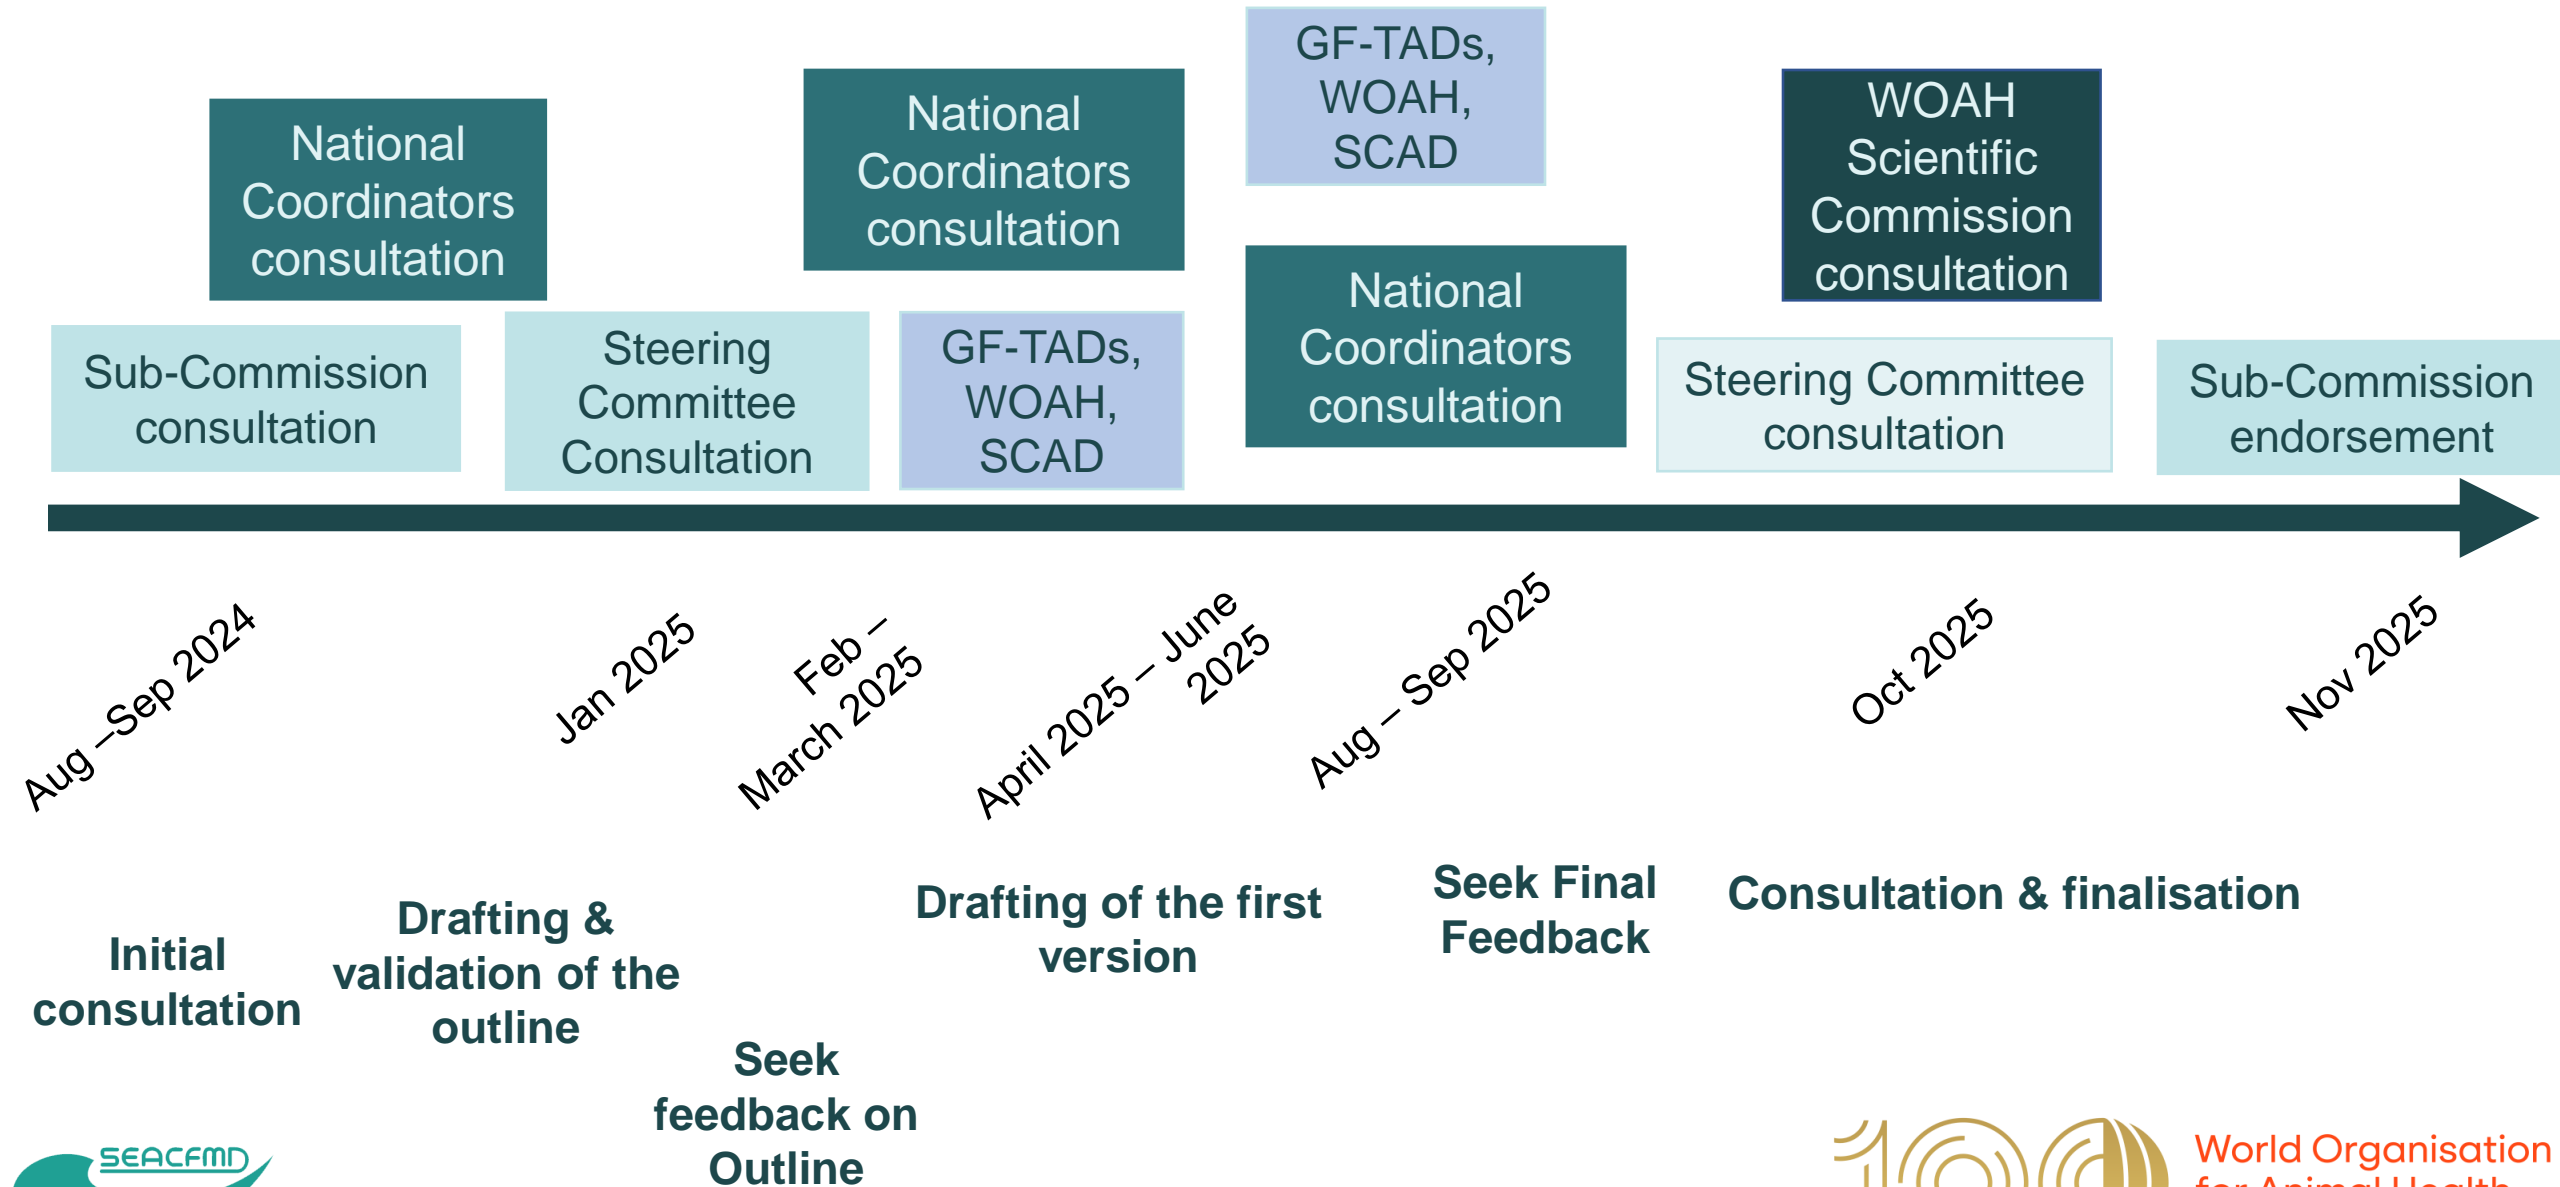

# Milestones to be achieved by 2030

---

- **By 2030**
  - FMD free countries remain free
  - FMD endemic countries reach PCP stage 3 and 4
- Increased involvement of the ASEAN
- Better regulated animal movements
- Development/improvement of animal quarantines facilities / border control
- Increased cooperation with the traders (all traders follow the rules and agreements)
- Extend to other TADs
- Enhanced PPP and more private sector engagement
- More FMD free compartments and zones
- Change the mind of private sectors who have potential to invest in FMD control

# The different steps and tentative timeline

# Conclusion

---

- Request Sub-Commission to endorse the Roadmap development modalities;
- Sub-Commission Steering Committee Member from SEACFMD Members to nominate one Technical Officer to the Core Group for development SEACFMD Roadmap 2026 – 2030;
- Core Group to initiate development of new Roadmap in line with proposed actions and timeline in collaboration with National Coordinators
- National Coordinators contribute to development of outline, theory of change and drafting of Roadmap;
- Steering Committee Members will play the role of Regional Advisory Group for the Global FMD Strategy in other sub-regions;
- Sub-Commission Members to provide strategic guidance for the development of new Roadmap.

Thank You
