CANINE RABIES VACCINES TO SAVE HUMAN LIVES

RABIES kills nearly **59,000 PERSONS PER YEAR** with more than **99%** of cases originating from infected **DOG BITES**.

By providing high-quality dog vaccines, our vaccine bank helps countries implement vaccination campaigns and eliminate dog-mediated human rabies.

- **Regional Delegates' Secure Sharing Site**

Found at: <https://rr-asia.woah.org/delegate-site>

- **Main Purpose:**

- Facilitate better engagement on commenting by Members.

- **Activities:**

- Members may upload their comments on the Terrestrial and Aquatic Animal Health Standards Commissions' reports.
- Important events and deadlines are listed.

- WOAHA Headquarters maintains a **Delegates' Site**
- **Main purpose** is to provide a library of past comment submissions from Members all over the world
- Maintaining our own **Regional** Delegates' Secure Site is still in our interest, as it allows for **sharing comments** among Members in the Asia Pacific region, **prior to submission**

- Requires a login and password
- If you do not have access yet, please contact either:
b.valdehuesa@woah.org or rr.asiapacific@woah.org
- Delegates often designate a member of staff, to assist with uploading comments to this site (such as the WOA National **FP for Communication**).
