

Participant Signups **are open!**

Join us for the 5th iteration of..

*World Wildlife Day Regional
Youth Symposium!*

About The Event:

Join us in the celebrations for World Wildlife Day all while meeting youths from across Asia passionate about wildlife! Our two-day programme features:

- An exciting lineup of **speakers and panel discussions + hands-on workshops**, aligned with our theme: “Exploring Intersections Among Wildlife Trade, Wildlife Health, and Wildlife Conservation”.
- A **youth showcase segment** that spotlights notable youths working on wildlife projects in Asia.

Frequently Asked Questions!

Is there a registration fee?

No, the event is free of charge. However, participants travelling from overseas to participate in WWD must fund their own travel / accommodation arrangements unless otherwise communicated.

Is there a participant age limit?

The event is youth-focused, primarily for individuals aged 18-35 from Asia. However, interested individuals outside this age range are also welcome to register!

Do I need to be in Singapore?

This is an in-person event that requires participants to be present in Singapore.

Are there any language requirements?

The event will be delivered in English and requires participants to minimally have intermediate proficiency in speaking and comprehending the English language.
