OIE Portal

Only OIE Staff can access this portal.

- ✓ Access rights for the OIE AMU Team
- ✓ Access rights for certain staff from the OIE Regional and Sub-Regional Offices (restricted data available for these profiles)

OIE AMU Global Database - Country Portal

The screenshot shows the OIE AMU Country Portal interface. At the top, the OIE logo and 'WORLD ORGANISATION FOR ANIMAL HEALTH' are visible. The main navigation bar includes 'Home', 'Calculation Module', 'Questionnaire', 'Datavizualisation', 'History', and 'Resources'. The user is logged in as 'John Stark' from the 'Republic of Co...'. The main content area features a 'WELCOME TO YOUR SPACE' message and a 'Data collection' section with a 'Start' button. A 'Tool quantity calculation module' section offers a 'Complete' button. A 'DATA DASHBOARD' section displays various metrics: Total Reported quantity (49 832 KG), Biomass metric (32.9 MG/KG), Evolution Y-1 (32.9%), and Ranking data (67). It also includes a table for 'Antimicrobial Data' and two charts: 'Antimicrobial classes reported' and 'Trend data'. A chat window is open at the bottom, with the text 'The Amu Team is here to help you!' and a text input field.

Annotations:

- Start data collection:** Points to the 'Start' button in the 'Data collection' section.
- See the status of your data collection:** Points to the 'Opening' status in the 'Data collection' progress bar.
- Access the calculation module:** Points to the 'Complete' button in the 'Tool quantity calculation module' section.
- Chat available for countries to contact the AMU Team for assistance:** Points to the chat window at the bottom.

Country Portal Operations

- ✓ Participate in the data collection
 - ❖ Status of data collection
- ✓ Option to use the calculation module
 - ❖ Available 24/7
- ✓ Data dashboard to view key data metrics
- ✓ Chat function to contact the AMU Team for assistance

Chat available for countries to contact the AMU Team for assistance
