

Training Seminar for OIE Focal Points for Veterinary Products,
6th Cycle

Working Group – Substandard and Falsified Veterinary Products

Kuala Lumpur (Malaysia), 14-16 January 2020

Working Group – Substandard and Falsified Veterinary Products

Documents provided for the working group:

1. **Questionnaire** to be used as basis for discussion with
 - Three priority questions (Q 1-3)
 - Five additional questions if time allows (Q 4-8)
 2. **List of definitions** for substandard/falsified products for reference
- Rapporteurs, please answer the questions for **all** countries in your group.

General instructions:

- The main aim of the session is to better understand what exists in terms of surveillance for veterinary product quality.
- Please fill in the questionnaire for your country with as much information as possible and hand it back to Rebecca before the end of the last day.
- Short answers are fine (though detailed comments are appreciated)

A hand is holding a white rectangular sign in front of a group of brown chickens. The sign has the words "THANK YOU" written in large, bold, white capital letters. The letter 'A' in "THANK" is cut out, revealing the red comb and yellow beak of a chicken. The background shows several brown chickens on a dirt ground. The overall scene is outdoors with green foliage in the background.

THANK
YOU
