

**Meeting to accelerate prevention and control of  
neglected foodborne parasitic zoonoses in selected Asian countries  
16-18 October 2018, Grand Luang Prabang, Lao People's Democratic Republic**

**Objectives of the meeting:**

1. To review the progress of prevention and control of neglected foodborne parasitic zoonoses in Asia;
2. To share experience, issues, challenges and opportunities to leverage existing platforms and frameworks and strengthen intersectoral collaboration and partnership for accelerating prevention and control of neglected foodborne parasitic zoonoses; and
3. To agree on multisectoral action priorities to address identified issues and challenges and accelerate prevention and control of neglected foodborne parasitic zoonoses in Asia.

**AGENDA**

<b>Day 1: Tuesday, 16 October 2018</b>		
08:00 – 08:30	Registration	
<b>Opening Session</b>		
08:30 – 09:00	Welcome address	- Dr Momoe Takeuchi, Acting WHO Representative in Lao PDR
	Background and objectives of the meeting	- Dr Aya Yajima (WPRO)
	Self-introduction of participants and observers	
	Nomination of the co-chairs and rapporteur	
	Administrative announcements	- Ms Raquel Amparo (WPRO)
<b>Session 1: <i>Global, regional and country updates on prevention and control of neglected foodborne parasitic zoonoses through the food value chain</i></b>		
09:00 – 09:20	<a href="#">Global and regional burden of diseases and socioeconomic impacts</a>	- Dr Bernadette Abela-Ridder (WHO HQ), Dr Gongal Gyanenda (SEARO) and Dr Aya Yajima
09:20 – 10:10	Guidance on interventions through the food value chain: <ul style="list-style-type: none"> <li>• <a href="#">Production</a></li> <li>• <a href="#">Food safety</a></li> <li>• <a href="#">Public health</a></li> </ul>	- Dr Katinka De Balogh (FAO RAP) and Dr Maho Urabe (OIE RRAP) - Dr Peter Hoejskov (WPRO) and Dr Masami Takeuchi (FAO RAP) - Dr Bernadette Abela-Ridder
10:10 – 10:30	Discussion	All
10:30 – 11:00	<b>Group photograph followed by coffee/tea break</b>	
11:00 – 12:30	Country status updates – disease burden, existing One Health platforms/frameworks/policies and control activities (5-8 min per country) <ul style="list-style-type: none"> <li>• Bhutan</li> <li>• Cambodia</li> <li>• China</li> <li>• Lao People's Democratic Republic</li> <li>• Republic of Korea</li> <li>• India</li> <li>• Indonesia</li> </ul>	Country participants
	Discussion	All

12:30 – 13:30	<i>Lunch break</i>	
13:30 – 15:00	Country status updates (continued) <ul style="list-style-type: none"> <li>• Malaysia</li> <li>• Myanmar</li> <li>• Mongolia</li> <li>• Nepal</li> <li>• Philippines</li> <li>• Thailand</li> <li>• Viet Nam</li> </ul>	Country participants
	Discussion	All
15:00 – 15:30	<i>Coffee/tea break</i>	
<b>Session 2: One Health interventions</b>		
15:30 – 16:10	<a href="#">Basic considerations for control of neglected foodborne parasitic zoonoses through One Health approach</a>	- Dr Meritxell Donadeu (University of Melbourne, Australia), Dr Sung Tae Hong (SNU, Korea) and Dr David Jenkins (Charles Sturt University)
	Discussion	All
16:10 – 17:00	Sharing experience on One Health approach – actions, challenges and lessons learnt <ul style="list-style-type: none"> <li>• Sichuan province, China</li> <li>• Lao PDR (pilot operational research)</li> <li>• GALVMED experience on technology transfer and vaccination trial in pig population in India and Nepal</li> </ul>	- Dr Li Tianying (Sichuan CDC, China) - Dr Anna Okello (ACIAR, Australia) - Dr Angie Colston (GALVMED, Kenya)
17:00 – 17:30	Discussion on key lessons learnt for implementation of One Health	All
18:30 – 20:00	<i>Cocktail reception</i>	

### Day 2: Wednesday, 17 October 2018

09:00 – 09:30	WASH intervention options for control of foodborne parasitic zoonoses in resource-poor settings	- Dr Alex Hildebrand (SEARO) and Dr Kim Rok Ho (WPRO)
	Discussion	
<b>Session 3: Health risk communication and community engagement</b>		
09:30 – 10:00	Sharing country experiences on multi-disciplinary approach <ul style="list-style-type: none"> <li>• Community-led WASH-NTD initiative for elimination of schistosomiasis in Lao PDR and Cambodia</li> <li>• LAWA model for control of foodborne trematodiasis in Thailand</li> </ul>	- Cambodia and Lao PDR  - Dr Banchob Sripan (Khon Kaen University, Thailand)
	Discussion	
10:00 – 10:30	<i>Coffee/tea break</i>	
10:30 – 12:30	Food safety risk communication training	Prof William Hallman (The State University of New Jersey, USA), Dr Masami Takeuchi, and Dr Peter Hoejskov
12:30 – 13:30	<i>Lunch break</i>	
13:30 – 14:30	Food safety risk communication training (continued)	
14:30 – 17:30	Field trip (abattoir, fish markets, pig pens, community environment)	All

Day 3: Thursday, 18 October 2018

08:30 – 09:00	Observations and findings from the field trip	- Ms May-Linh Huynh (WPRO)
<b>Session 4:</b>	<b><i>Mapping, M&amp;E and surveillance</i></b>	
09:00 – 10:00	<a href="#">Basic considerations for identification of risk areas and monitoring and evaluation of interventions</a>	- Dr Meritxell Donadeu (University of Melbourne, Australia), Dr Sung Tae Hong (SNU, Korea) and Dr David Jenkins (Charles Sturt University)
	Discussion	
10:00 – 10:30	<i>Coffee/tea break</i>	
10:30 – 11:30	Effective information sharing across sectors <ul style="list-style-type: none"> <li>• Application of food safety surveillance for identification of risk areas</li> <li>• <a href="#">Public health data reporting on disease burden and M&amp;E</a></li> <li>• <a href="#">Animal health data reporting</a></li> </ul>	- Zhu Huihui (NIPD/China CDC) - Dr Aya Yajima - Dr Ashish Sutar (OIE)
	Discussion - action priorities to improve surveillance and information sharing of foodborne parasitic zoonoses	All
11:30 – 12:30	World café on post-2020 targets, minimum indicators to measure progress and remaining evidence gap	All
12:30 – 13:30	<i>Lunch break</i>	
<b>Session 5:</b>	<b><i>The way forward – multispectral action priorities for accelerating prevention and control of foodborne parasitic zoonoses</i></b>	
13:30 – 14:30	Breakout sessions – Country-specific action priorities to realize multi-sectoral collaboration for control of foodborne parasitic zoonoses and support needs from tripartite and partners	All
14:30 – 15:30	Plenary presentations from breakout sessions	Country participants
15:30 – 16:00	<i>Coffee/tea break</i>	
16:00 – 16:30	Remarks from partners – opportunities for collaboration and resource mobilization	Partners
16:30 – 17:00	Conclusions and recommendations	Dr Aya Yajima
	Closing	Dr Katinka De Balogh
