OVERVIEW:
VEE ACCREDITATION PROCESSES

7 STAGES OF ACCREDITATION

INITIAL CONTACT

Step 1: Contact Vice Chancellor and Dean

One year before site visit

Advise on process of accreditation

AVBC acts on behalf of all VSBs in the region

School confirms participation

Send guidelines to Vice-Chancellor

- Specific details for Dean

INITIAL DOCUMENTATION

Step 2: SER and other information

Self Evaluation Report

50 pages + supporting documents

Addresses each of the 12 standards

List of academic and non-academic positions

Timetable for each year of program

Maps

Curriculum digest

Units of study outlines

Student handbooks

Extra Mural Studies reports (pre-clinical and clinical)

Committee Terms of Reference

External reviews

Strategic Plans, etc

SITE VISIT

Step 3: Conduct of site visit

- Aim to verify
- Structure by standard
- Schedule 2 months prior
- Staff listed on schedule
- Commence with Dean overview
- Collegial tone
- Site team portfolios
- Use of rubric –
 - complies,
 - substantially complies or
 - does not comply with standard (Deficiencies)
- Site team protocols: dress, behaviour, diligence
- Confidential meetings

ORAL REPORT

Step 4: Oral Report

Report to Dean (and senior staff)

Report to Vice-Chancellor

Summary of strengths and weaknesses

No announcement concerning accreditation

Advise of next steps in process

FORMAL REPORT

Step 5: Formal Report

Send to Dean for fact checking within 2 weeks of site visits

Staff are asked to provide feedback on the visit

Any contested facts are checked with site team

Chair finalises report

Report with comments to Vice-Chancellor and Dean

Within 14 days the VC replies with instructions to:

Send report without comment to AVBC

Send report with further University comments

Request and independent review of report

REVIEW OF SITE TEAM REPORT

Step 6: Review of Site Team Report

If University requests a review must specify

- aspect of processes or
- which recommendations with which the University is dissatisfied.

AVBC selects reviewer in consultation with University

Reviewers report, with final site team report and objections from University will be considered by AVBC

FINAL DECISION

Step 7: Final Decision

Within 2 months of site visit report with recommendation of classification to AVBC VSBs

Report + SER are sole basis of decision (provided there is no appeal)

Member VSBs have up to 4 months to review the report and provide feedback prior to the final decision on accreditation

VSBs communicate decision directly to office or through representative at Council

Conflicts of Interest must be declared and resolved prior to vote

Assign classification of accreditation by majority vote

Letter to VC advising on decision
