

Agenda
SEACFMD Laboratory Network Meeting
(Subject to be changed)
24-25 October 2023, Lanzhou, China

Day 1: 24 October 2023

Time	Topics	Speakers/ Responsibility
Day 1 Session 1: Opening Session - WOH SRR SEA		
08.00 - 08.30	Participants registration	WOH SRR SEA LVRI
08.30 - 08.40	Opening remarks: - Remarks by WOH SRR SEA - Remarks by Host country Introduction of participants	WOH SRR SEA MARA LVRI
Session 2: Introductory and Regional FMD update - LVRI		
08.40 - 09.00	Objective of the Meeting: Progress of SEACFMD Campaign and Laboratory Network TOR	WOH SRR SEA
09.00 - 09.30	Update on the global epidemiology of FMD: setting the scene for the development of new diagnostic tools.	WRLFMD
09.30 - 09.50	Regional FMD situation and lineage analysis in SEA	WOH SRR SEA
09.50 - 10.10	Coffee break and Photo session	
Session 3: County reports - WOH SRR SEA		
10.10 - 10.20	REG meetings and recommendations	WOH SRR SEA
10.20 - 10.50	FMD situation and epidemic viruses evolutionary in China	LVRI
10.50 - 12.30	Country FMD Laboratory report: (template will be provided 15 min each 10 countries) - FMD Endemic country – FMD surveillance, vaccination, PVM and other lab activities - FMD Free countries- Maintenance of FMD free status supported by surveillance and monitoring. Q&A	SEACFMD Member Countries
12.30 - 13.30	Lunch break	
Session 4: FMD sampling and testing - WOH SRR SEA		

13.30 - 14.00	Regional Laboratory Updates: Guidelines for Sample Collection, Submission, and Transportation for Foot-and-Mouth Disease Virus Surveillance	RRL Pakchong FMD Diagnostic Laboratory
14.00 – 14.50	Video Sample collection/ Shipment (15-20 minutes) Group work: Discussion on Identifying Gaps and Solutions for Sample Collection and Submission (FMD surveillance, sample collection including PVM sample, transportation for FMDV samples, submission to Reference laboratory)	
14.50 – 15.10	Plenary and Wrap-up for Day 1	
15.10 – 15.30	Coffee break	
15.30 – 17.30	Laboratory visit	
18.30 - 20.00	Reception dinner hosted by WOAHA	

Day 2: 25 October 2023

Time	Topics	Speakers/ Responsibility
Day 2 Session 5: Regional Laboratory report - WOAHA SRR SEA		
09.00 - 09.40	Regional FMD Laboratory/ Partner presentations on FMD diagnostic/research activities: (15 min talk + 5 min Q/A) - Lanzhou Veterinary Research Institute - ACDP	Regional Laboratories
09.40 - 10.30	WRLFMD PT Scheme and the Participation of SEA Countries Report PT Regional Scheme, Protocol for sample submission Report the findings of the Laboratory Survey	WRLFMD RRL Pakchong FMD Diagnostic Laboratory WOAHA SRR SEA
10.30 - 11.00	Coffee break	
Session 6: Technical discussion for diagnostic tools		
11.00 - 13.00	Presentation and Discussion on: Highlight priorities and gaps of testing/antigen detection Presentation: An update on new technologies for the detection and characterisation of FMD Joint Presentation REG Algorithm (WRLFMD/ACDP/LVRI) Brief introduction FMD diagnostic algorithm developing ACDP/RRL collaboration	WRLFMD ACDP RRL Pakchong FMD Diagnostic Laboratory

	<p>Discussion:</p> <ul style="list-style-type: none"> - Past/Present/Future FMD diagnostic algorithm - Proposal (lineage specific PCR) - Future prospective 	
13.00 - 14.00	Lunch break	
Session 7: Move forward and Action plan - WOH SRR SEA		
14.00 - 15.30	<p>Group work:</p> <ul style="list-style-type: none"> - FMD endemic countries: Identify gaps and solution for FMD diagnostic tools (Regional serology and molecular diagnostic assay verification) - FMD free countries: Identify laboratory preparedness and contingency planning. - SEACFMD Research direction aligns with SEACFMD Roadmap <p>Plenary session for report and finalising action plan</p>	<p>SEACFMD member countries</p> <p>National Reference Research Laboratories</p>
15.30 - 15.50	Coffee break	
Session 8: Closing and Recommendations - WOH SRR SEA		
15.50 - 17.00	<p>Plenary discussion: Identification of priority action Recommendation</p> <p>Closing Remarks</p>	<p>WOAH SRR SEA REG</p> <p>WOAH SRR SEA LVRI</p>
